

Big Brothers Big Sisters
Little Moments. Big Magic.™

Quickfacts

- Our mission is to help children reach their potential through professionally supported, one-to-one relationships with measurable impact.
- Our vision is to provide successful mentoring relationships for all children who need and want them, contributing to brighter futures, better schools, and stronger communities for all.
- Our goal is for Big Brothers Big Sisters to be the organization of choice for youth mentoring, corporate and community partnering, fund raising, staff and board membership.
- Safety is the most important service we provide for our Bigs and Littles. Our professional staff provides extensive screening, ongoing mentoring and match support.

In the 70's we were known as Big Brothers of Vineland, serving boys referred by family court and mentored by lawyers, police officers, doctors, and prominent business professionals.

In 1982 we became Big Brothers Big Sisters of Cumberland County, serving boys and girls, ages 7 through 18, throughout Cumberland County that were primarily referred by a relative or teacher.

Since 1995, **High School and School-Based Programs** have grown from one school to 22 schools throughout Cumberland and Salem Counties. This program allows adults and high school students to visit the elementary and middle school students on a weekly basis.

Since 2002, **3,001 boys and girls** have been served in a **one-to-one mentoring relationship** through our program.

In December 2004, **Mentoring Children of Prisoners Program** was launched. This unique one to one mentoring program pairs adult volunteers with children who are growing up with a parent in prison.

In 2005 our service area expanded to include Salem County.

In 2011, 305 children had a Big Brother or Big Sister while 92 children continued to wait for their Big. 92 waiting Littles participated in special events and client activities.

In 2011, 126 high school students were mentors to Elementary School children in the High School Mentoring Programs.

In 2011, 27 families received holiday assistance in the form of food baskets, gifts, toys, clothing, and gift certificates made possible by generous donations from the community.

"Littles" in our program come from diverse racial, cultural and economic demographics and **more than 50% of our Littles are males.**

Our Bigs are as diverse as our Littles and range from high school students to senior citizens.

Community Based is our traditional one-to-one mentoring program that follows the model established in 1904. The primary reason for enrollment in this program is to **establish a friendship for a child with a volunteer** who can provide consistent support.

2011 Impact -- 397 Children

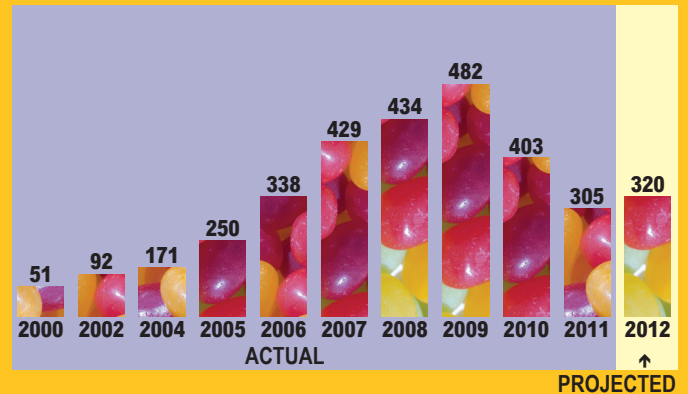

Community Based Mentoring

High School Based Mentoring

OUR GOAL

More Matches – More Impact!

 Numerous research studies show that BBBS mentoring has a significant and measurable positive impact on the lives of youth. **Children matched with a Big Brother or Big Sister are less likely to take illegal drugs, start drinking alcohol, skip school, or exhibit violent behavior.**

 **Big Brothers Big Sisters of Cumberland & Salem Counties** received national recognition from Big Brothers Big Sisters of America. Among 400 agencies this agency received The Gold Standard Award for pace setting performance in quality growth and increased revenue, and in the small agency category the Board of Trustees were finalists for Board of the Year, and the President/CEO received the CEO of the Year Award.

 **Tina DiNicola**, Big Sister of the Year for the State of New Jersey in 2011, has been a Big Sister in the Community Based Program since 2006.

 **Jill Estell**, Big Sister of the Year for the State of New Jersey in 2009, has been a Big Sister in the Community Based Program since 2006.

 **Paul Gramm**, Big Brother of the Year for the State of New Jersey in 2008, has been a Big Brother in the Community Based Program since 2002.

 **Pamela McCourt**, Big Sister of the Year for the State of New Jersey in 2006, has been a Big Sister in the School Based Program since 1995.

 **Brenda Bundy**, Big Sister of the Year for the State of New Jersey in 2012, has been a Big Sister in the Community Based Program since 2008.

 With the combination of the human spirit to give as a volunteer and the Big Brothers Big Sisters trademark approach to extensively screened and supervised mentoring, **each one-to-one relationship has the potential to last as a Big Brothers Big Sisters supervised and supported relationship until the Little graduates from high school.**
