

Bogarts, Books and Benefits!

Bogart's Book Store is offering a 75% discount when you trade in your book(s). Once you bring in your books, Bogart's will add up all of the prices and give you 75% of that amount in credit. You will then get to purchase books up to the amount of your credit and you will only have to pay 25% of the original price in cash. In addition, after purchasing your discounted book, Bogart's will allow you to choose an additional used book for free, which is valid until September 30, 2013. When you are in the Millville area, be sure to mention that you are enrolled with Big Brothers Big Sisters of Cumberland & Salem Counties when arriving at Bogart's to receive your discount and special offers.
