$403,000 out of $500,000

The Support Mentoring Campaign goal is to raise $500,000 to initially build Big Brothers Big Sisters’ endowment fund. The fund will help offset the costs of professionally supported one-to-one mentoring relationships in the future.

It costs an estimated $1500 each year to develop and maintain each one-to-one mentoring relationship. There is no fee for the volunteers or children who participate in the mentoring programs.

In 2016, the agency served more than 300 youth and achieved significant immediate impact, while laying the groundwork for future productive citizens.

Big Brothers Big Sisters plans to serve 340 children in 2017, and to grow its sustainable funds to provide for continued growth in the future.

A HUGE THANK YOU to several notable community leaders who have supported the Support Mentoring Campaign. Because of you we have raised $403,000 out of $500,000.
